Readily accessible by both public and private transportation, residents can reach the Central Business District in 15 minutes via the Ayer Rajah Expressway (AYE). As Buona Vista MRT station and one-north MRT station are both located just a 5 minute walk away, they can also connect to the East-West Line and Circle Line respectively with great ease.

ONE THAT EMBRACES THE BEST TALENTS

Supporting a diverse ecosystem of knowledge and research-intensive industry and education clusters, one-north places Singapore on the global map for its biomedical research and sets the stage for her transformation to a technopreneurial economy.

Living in close proximity to this dynamic belt certainly has its advantages. It empowers you with the flexibility and efficiency to achieve a more balanced work-life integration, and enjoy shorter commutes in a productive work environment.

REDEFINING LUXURY WITH ONE CONVENIENCE

Boasting an exclusive 165 units of 1- to 4-bedroom apartments, this mixed-use development features two residential towers and six restaurants, enabling you to experience greater ease and simplicity in life.

A borderless vicinity on the first storey offers progressive enticement to the residents and daily serendipity for the community with an Outdoor Fitness Corner, as well as the commercial amenities, echoing the late Zaha Hadid's vision for a network of open spaces and a gateless community.

From its sleek, nature-inspired architectural designs to exquisite fittings, expect only the best as you embark on ONE unique and integrated work-live-play-learn paradise.

AN OPEN URBAN OASIS

1ST STOREY

The first storey features restaurants, an outdoor fitness zone and garden that promotes openness and interaction within the community.

INDULGE IN INFINITE LEISURE AND REPOSE OF NATURE

Inspired by the native *Zingiber singapurens*, commonly known as the Singapore Ginger, specially customised Ginger Bud Gazebos can be found along the 50m lap pool deck, adding an unique charm to the landscape.

The Ginger flower-inspired BBQ Pavilions on this level also allow for outdoor cookouts and social gatherings amid the lush native greenery, serving as focal points for the residents.

MODERN LIVING AMID COMFORT AND FUNCTIONALITY

With its stylish and efficient layouts, the 2-bedroom units feel expansive and charming, giving you a high level of living comfort, as well as satisfaction and functionality.

Homeowners also have the option* to remove the wall between the living room and the adjacent room to further expand the space. The minimalist-designed kitchen cabinets and bedroom wardrobes add a contemporary touch to the interiors, while the unstinting attention to details is evident in the selection of premium sanitary wares and fixtures that adorn the space.

DEVELOPER

Established in 1972, TID Pte Ltd is a joint venture between property developers, Hong Leong Group and Mitsui Fudosan, weaving a unique combination of Singapore-Japanese talents and management styles into eminent assets in property developments. Together with our partners, TID Pte Ltd has successfully executed a total of 36 residential projects, as well as other commercial, industrial and hotel properties.

TID Pte Ltd stands at the forefront of the built industry, embracing smart architecture design and construction, such as the first of its kind in Asia to pioneer the PPVC approach (Prefabricated Prefinished Volumetric Construction) at Brownstone EC. It has always set its sights on innovative design and delivered well-located quality projects such as Nathan Suites and Optima @ Tanah Merah, and together with our partners, The Oceanfront @ Sentosa Cove, Forestwoods, and more recently Piermont Grand EC. With our track record, TID Pte Ltd is now moving with confidence into the future with One-North Eden.

JOINT VENTURE PARTNERS

Hong Leong Holdings Limited (HLHL) was established in 1968 as the privately-held property development and investment arm of the Hong Leong Group.

As one of the pioneers of the real estate scene in Singapore, HLHL has since emerged as a major player in the property market. As a forward-looking developer that continues to pursue improvement and expansion while maintaining its high design, customer service and sustainability standards, HLHL takes pride in being responsible for some of the most distinctive and iconic residential developments in Singapore.

MIDWOOD

PENROSE

THE AVENIR

One of Japan's largest global real estate companies and integrated real estate developer, Mitsui Fudosan has supplied over 145,000 residential units (before share%) and over 8,800 towers in Japan. The company's consolidated annual sales in 2019 is about S\$25 billion.

Since its incorporation in 1941, Mitsui Fudosan has engaged in the development and management of office buildings, residences, retail facilities, hotels, and resorts. It is also a Gold Partner of the Olympic and Paralympic Games Tokyo. Some of its iconic projects include Tokyo Midtown in Roppongi, 50 Hudson Yards in New York and the Halekulani Hotel, one of the most renowned hotels in Hawaii located by the famous Waikiki Beach.
